INTRODUCTION TO POLICY

This document provides guidelines regarding mentorship for JSIMR students. JSIMR has introduced this scheme to have one to one interaction with students. For a batch of about fifteen students, a teacher is assigned the role of Teacher-Guardian. GFM encourages the students to participate in curricular, co-curricular & extracurricular activities. He gives academic feedback to the parents/guardians regularly. He also counsels the students to solve difficulties encountered not only in institute campus but in their personal lives too. Teacher guardian acts as a mentor to students and offers them emotional and academic support along with motivation.

OBJECTIVES:

1. To create connection and trust that allows the students and mentor to talk openly about their academic and career opportunities.
2. To provide guidance and assistance to students for academic excellence.
3. To enable them to make right decisions for their career prospects and growth.
4. To foster a good rapport with the students in order to overcome their weaknesses and provide direction.
5. To monitor attendance and behavioral aspects of every student.
6. To identify weak areas and working out remedies helping students thereby taking their complete care

GUIDELINES FOR GFM MENTORING:

1. Every GFM mentor should provide guidance to the mentees on career, academics, psychological counseling & competence.
2. The mentor should suggest corrective actions for improvement or changes required by the mentee.
3. One Faculty will be nominated as 'Guardian Faculty' for at least fifteen students
4. Guardian faculty should maintain all kinds of records of allotted students in prescribed formats
5. Teacher guardian should communicate regarding performance and attendance to parents.
