हडपसर :- जे.एस.पी.एम. जयवंतराव सावंत इन्स्टिट्यूट ऑफ मॅनेजमेन्ट अँड रिसर्च या महाविद्यालयातील 'चतुर चाणक्य क्लब' च्या माध्यमातून श्री अमित मेढेकर, सेन्टर हेड, चाणक्य IAS अकॅडमी यांचे करिअरची दिशा ठरणारे व्याख्यान या वेबिनारचे आयोजन केले होते.

'चतुर चाणक्य क्लब' हा विद्यार्थ्यांच्या सर्वांगीण विकासाचे काम करतो. या माध्यमातून सेमिनार चर्चासत्र, इंडस्ट्री व्हिजिट, अकॅडमी फोरम मध्ये व कॉर्पोरेट कंपन्यातील मान्यवर विद्यार्थ्यांना मार्गदर्शन करतात, तसेच इंडस्ट्री अकॅडमी फोरम मध्ये विविध कंपनीमधील पदाधिकारी सल्लागार समितीमध्ये आहेत. एम. बी. ए. ज्ञानाचा व्यवहारात कसा उपयोग करायचा याचे प्रशिक्षण देण्यात येते.

श्री अमित मेढेकर यांचे शिक्षण, तर्कशास्त्र, कॉर्पोरेट या सर्व क्षेत्रांत मोठे योगदान आहे. अमित मेढेकर सरांनी २२० पेक्षा जास्त विद्यार्थ्यांचा सेमिनार घेतला आहे, आणि २,००,००० पेक्षा जास्त विद्यार्थ्यांना समुपदेशन केले आहे, ते एक उत्कृष्ट वाचक व लेखक आहेत, त्यांची २ पुस्तके प्रकाशित झाली आहेत. एक "अविरतात" आणि दुसरे "सातत्य". वाचन, सायकलिंग आणि प्रवास हे त्यांचे छंद आहेत.

6. Overall development of physical, mental and spiritual healthiness through yoga and meditation
7. To prepare students through institute-industry interaction
8. To invite participation of experts from industry in curriculum development
9. Develop level of excellence through soft skills

The Context:

The current trend in business is looking for innovative solutions to meet the needs for higher productivity, more profits and lower costs.

To meet this challenge it is not just enough for the institute to focus only on academic inputs but also on various other aspects of the student's personality which helps him/her to achieve the desired results. Therefore the students are properly groomed in terms of hard skills and soft skills, communication skills etc during their two year tenure in MBA program so that they become successful in their chosen career.

Our objective is to work on student's attitude and behavior and help them build the right attitude required. One of the major outcomes of this practice is that they gain enough confidence to work with different people in teams. The involvement and interaction of the industry in academics also plays a vital role in this best practice.

The campus to corporate is designed in such a way that the student derives more knowledge and practical working of a particular company/organization. It is focused to bridge the gap between the industry and academics. With this idea in mind our institute has developed this campus to corporate as our best practice.

The Practice:

1. **Communication skills:** Communication is the heart of every organization. Everything you do in the workplace results from communication. Therefore good reading, writing, speaking and listening skills are essential if tasks are going to be completed and goals achieved.

Since most of the students who are admitted for the MBA program come from rural background who normally do not have fair communication skills. With this objective in mind the institute regularly conducts business communication classes for the students. During this session many management games are undertaken to create an atmosphere of friendliness which helps the students to come out of their reserved mindset. Oral and written communication is taught through regular group discussions and presentations in the classroom.

2. **Knowledge session:** The knowledge session are conducted for enriching and enhancing the learning of the students every Friday. Eminent personalities from the industry are invited for these sessions. In this sessions a talk is organized wherein the industry resource person shares his/her experience about the industry/corporate working conditions with the students. After the lecture an interaction session is followed wherein the students asks many questions upon the actual working of the department or an organization. Over the period these sessions have helped a lot to the students in enhancing their knowledge based skills.
3. **Industrial visits:** Industrial visit has its own importance in a career of a student who is pursuing a professional degree. It is considered as a part of college curriculum. Industrial

visit helps to combine theoretical knowledge with practical knowledge. Industrial realities are opened to the students through industrial visits. Local and out of state visits are conducted every year where in the students go through the practical knowing and understanding the working of a particular department and the organization as a whole.

4. **Stress management:** Reducing stress in our everyday life is important for maintaining our overall health, as it improves our mood, boosts immune function, promote longevity and allow you to be more productive. With this objective in mind the institute every day conducts yoga and meditation and it is also a part of the time table. The benefits of yoga and meditation are practiced everyday so that the student would be physically and mentally fit.
