## SYNERGY CLUB

### Background and Introduction:

The institute has established Synergy Club from academic year 2013-14 with the motif of learning of the students through activities which have a visible element for developing sensitivities towards community issues, gender disparities, social inequity etc. and in inculcating values and commitment towards society. This club also organising cultural and sports events for the holistic development of the students.

The Synergy Club focuses Social Connect, Cultural Events for showing social cause, impact to the social sustenance and contribution towards society. The activities of cultural and sports help in strengthening the physical and mental health of the students.

The Institute has given the name – “**SYNERGY CLUB**” by understanding the motif of Synergy. The Synergy means the working together of two things to produce an effect greater than the sum of their individual effects. Thus, Synergy Club has taken initiatives to produce a combined effect greater than the sum of their separate effects and create an impact by inculcating values and commitment towards society.

### Facets of Activities under Synergy Club:

**1. Social Connect Activities:** community service activities, extension and outreach programs inside and outside of the institute for developing sensitivities towards community issues, gender disparities, social inequity etc.

**2. Cultural and Sports Activities:** Inculcating values and commitment to society and creating leadership, better citizenship amongst the students by organising social cause base cultural events.

### Objectives of Synergy Club:

1. To foster the social sustenance by conducting activities related to institutional social responsibilities, imparting social, ethical values & holistic development of students. This is achieved by organising cultural events with social cause, sports and social connects to sensitize towards social community.
2. To provide platform for nurturing the talent and encourage participation of students in sensitizing towards social issues, social cause base cultural activities and sports activities and support to the community services
3. To conduct the various extra-curricular activities and extension and social outreach programs, institute social responsibility activities for social commitment.
4. To encourage the students to participate in College, Intra-Collegiate, Inter- Collegiate Social activities, Cultural and Sports Events etc.
5. To nurture the leadership and display initiative by pursuing passions and interests beyond classroom sessions and create an impact to the Social community.
